Programme 2024 - 2025

As well as in-person meetings at Mencap Hall, we have scheduled some virtual events via Zoom in January and February 2025 to reduce the potential impact of bad weather on our meetings - these are marked on the programme below.

Please "**Contact Us**" if you are interested in joining us.

If you wish you can download a [PDF version of this programme page](#).

For the virtual meetings in January and February 2025 Zoom sign on info will be sent to members shortly before the meeting dates.

* Items in the 'Entry deadline' column below show the latest dates for competition entries. Hover the mouse cursor over an item to see further details. **Competition rules and additional guidance** on entering can be found in the competitions section of our [Downloads](#) page.
